Sermon October 23, 2022

Hope in a Dread-Full World

1. **What does hope mean to you? Would you call yourself a hopeful person or a pessimistic person?**

2. **Do you think the world will be a better place in the future (say, 2035) or will it be worse?**

3. **Do you believe that we live eternally? Does the thought of eternal life make you hopeful?**
