The Holy Trinity

QUESTIONS

1. What are the three parts of the Trinity. Look up the first verses of the book of Genesis and show how the three parts of the Trinity are described.

2. It is one of the most confusing statements in any religion: God is One and Three at the same time. Unitarians are Christians who do not believe in the Trinity. Other Christians, including the Catholics say that you have to believe in the Trinity in order to be a Christian. Tell me, in your own words, what is required to be a Christian.

3. Many people have said that if Christ was God how could God die? Others answered this by saying that Christ was never human (never alive) but just appeared that way. What is the problem with this or do you find it reasonable? (If you do why?)
